TAKE HOME
A PIECE OF
**NEW
BEDFORD**

Rated the 7th "Most Artistic" city in America by
The Atlantic Monthly, New Bedford is home to
University of Massachusetts Dartmouth's *College of Visual
& Performing Arts*, as well as a growing number of artists
and artisans whose works are exhibited and sold locally,
nationally & internationally.

Attracted by both the
diversity and the quality of
the arts here, collectors
and visitors alike make frequent trips to New Bedford to
shop at the many art galleries and artist studios offering
an ever-changing variety of fine art and crafts.

Each time you pour your
morning coffee into a mug
thrown on a potter's wheel
here, wrap yourself in a jacket
stitched locally, fasten the clasp
on a necklace crafted by one of
our artists, or pause to admire
a painting bought on your trip, you'll reflect fondly on
your time spent in this historic city by the sea.

Collect a memory today.
