

Call for Artists

The New Bedford working waterfront will be transformed with original sculpture created by local artists. Ten to twenty sculptures will be temporarily installed along MacArthur Blvd, the City and State piers, and in the city's Seaport Cultural District during the summer of 2017.

Artists are invited to submit proposals reflecting this year's theme – **"Sustainable Oceans"**; bringing awareness to the problems and solutions, globally, in our oceans and waterways. Each artist should have a connection with New Bedford. This will be a Juried Show. Artists may receive up to \$2,000 in funding per sculpture. Insurance is not provided.

Artist Proposals

Artists may submit up to three (3) proposals and must include:

- Artist Statement
- Three (3) images of past work
- Schematic design of the project (please keep in mind the high winds along the waterfront.)
- Textual description of the project and title
- Schedule of maintenance – if applicable
- A budget, including estimated fabrication, construction, and installation
- Total cost of value and sale price

Possible proposal themes:

- Sustainable fisheries
- Acidification
- Trash island
- Fukushima Daiichi
- Shark fining
- Tide energy production
- Rising sea levels
- HDC role in NB harbor/dredging

Please submit your proposal(s) to Jessica Bregoli, Seaport Art Walk Coordinator, jbregoli@gmail.com.

Important Dates

Proposal submission deadline: **April 1, 2017.**

Notification to finalists of approval(s): **April 10, 2017.**

Installation week: **May 20-29, 2017.**

De-installation: **October 13-15, 2017.**
