

**3RD  
ANNUAL**

**THE NEW BEDFORD SEAPORT ART WALK** is the first large format outdoor public art installation along the waterfront in the city. Ten to twenty sculptures will be temporarily installed along MacArthur Blvd, the City and State piers, and in the city’s Seaport Cultural District during the summer of 2017.

Artists will submit proposals reflecting this year’s theme – **“Sustainable Oceans”**; bringing awareness to the problems and solutions, globally, in our oceans and waterways. Your contribution will support artists in their work, highlight the importance of the arts, and create an inviting waterfront enjoyed by thousands of visitors to and residents of the city.
