

4TH ANNUAL

THE NEW BEDFORD SEAPORT ART WALK unites two of the city's nationally recognized cultural and commercial assets, its working waterfront and its working artists. It is the first large format outdoor public art installation along the waterfront in the city. Each summer, ten to twenty sculptures are temporarily installed along MacArthur Blvd, City Pier, State Pier, and the Seaport Cultural District downtown.

This year's theme – **"Freedom and Equality"** – honors the Bicentennial of Frederick Douglass and his history in New Bedford as his first free home after escaping slavery. Artists will submit proposals reflecting the vision he and many New Bedford abolitionists held sacred: social justice, human rights, liberation, emancipation, and sanctuary.

Your contribution will directly support the creation of the sculptures, highlight the importance of working artists, and generate an inviting working waterfront enjoyed by thousands of visitors and residents of the city.
